Proudly presents its October Dinner Meeting

2019 CBC Chapter 21 Masonry Updates

featuring

JOHN CHRYSLER, Executive Director of Masonry Institute of America

The presentation will discuss changes to the masonry code pertaining to the masonry contractors. Bring questions concerning issues you've come across in the field with inspectors or otherwise.

SOME CHANGES INCLUDE:

- TMS is now the sole sponsor of the Masonry Standard (no more ACI 530)
- The 2016 TMS 402/602 has 6 fewer pages than the 2013 version (may not sound like much, but in the world where code requirements keep expanding, it is significant)
- Some of the text has been converted to user-friendly tables
- The TMS 402/602-16 is effective for a six-year cycle

SCHEDULE:

Social Hour and Food starting at **5:15 p.m.** • Program and Speaker - **6:15 p.m.**
